About the Northwest Workforce Investment Board Youth Council

The Workforce Investment Board (WIB) is the governing body for employment training programs in northwest Missouri. It is an appointed group of community leaders responsible for developing and directing employment-related opportunities. Our goal is an economically self-sufficient, productive and skilled workforce through partnerships with community, business, and the workforce.

This directory is the result of collaborative efforts of the Northwest Workforce Investment Board Youth Council and its goal to establish a working network of partnerships with youth service providers who provide services and opportunities to individuals ages 14-24 throughout our 18 county region. (Andrew, Atchison, Buchanan, Caldwell, Clinton, Dekalb, Daviess, Gentry, Grundy, Harrison, Holt, Linn, Livingston, Mercer, Nodaway, Putnam, Sullivan, Worth).
